Dear Parent/Carer

At Triangle Pre-School we need to keep records on your child's continuing development during their Early Years Foundation Stage (EYFS). This will help us to provide the best possible start and learning opportunities for your child and will be shared with you regularly. This will include some photographs of your child at Triangle Pre-School.

Please will you sign below to give us your permission to take photographs of your child to be put in their Learning Diary, Pre-school photograph albums and/or to be displayed at Pre-school, on our website and on our closed Facebook site. If an image of your child is displayed on our website or on Facebook they will not be named.

We use a digital camera which is only used by Pre School staff and the photo's are printed off by a member of staff on the premises.

In accordance with Data Protection act 1998:

I do/do not* give permission for my child to be photographed during their time at Triangle Pre-School.
