Prior Injuries Policy

It is our policy that all injuries already visible upon a child when they arrive at Pre-school must be recorded in the Prior Injuries Report Book, using a body map.

The book will record the type of injury, the size of the injury and where it is located. The book must then be signed by the member of staff who first noticed the injury, and a witness (usually another member of staff ideally the Manager or Deputy Manager) and the parent/carer.

If the parent/carer does not wish to sign then the child cannot be left in our setting until the injury has healed.

The Prior Injuries Report Book will be reviewed every half term by the Manager or Deputy Manager to ensure there are no recurring injuries that require further investigation.

There is a signed record of each review in the front of the Prior Injuries Book.

This policy was adopted at a meeting of Triangle Pre School held on: 12th November 2019.

Date to be reviewed: October 2021
