Face Painting

Children are face-painted only if parents have given prior written consent. Verbal consent is fine for events where the parents are present.

Children with open sores, rashes or other skin conditions are not painted

Members of staff painting children's faces wash their hands before doing so, cover any cuts or abrasions and ensure they have the equipment they need close to hand

Only products that are compliant with EU regulations will be used.

Clean water is used to wash brushes and sponges between children. Ideally sponges will be machine washed on a hot cycle following their use.
