Selecting Equipment & Toys Policy

The toys and equipment in our Pre School provide opportunities for children with adult help to develop new skills in their play and exploration.

The equipment and toys we provide are:

- Appropriate for the ages and stages of the children.
- Offers challenges to developing physical, social, personal and intellectual skills.
- Feature positive images of people, both male and female, from a range of ethnic and cultural groups, with and without disabilities.
- Includes a range of materials which can be used in a variety of ways and encourages an open-ended approach to creativity and problem solving.
- Will enable children, with adult support, to develop individual potential and move towards required learning outcomes as documented in the EYFS.
- Conform to all relevant safety regulations and are well made.

This policy was adopted at a meeting of Triangle PreSchool held on:17th January 2023
