Sun Screen Policy

At Triangle Pre School we want all children to enjoy the sun safely. We will work with parents and carers to achieve this through:

Education

- All children will be taught/told of the importance of sun protection at regular intervals throughout the year through small group time and circle time.
- Parents/carers will be asked for written consent for staff to administer sun cream in their child's registration pack.
- At the beginning of each summer term a letter will be sent home asking parents to send in a named bottle of sunscreen for their child. These bottles will be kept in a box on the piano.

Protection

- All children will wear a sun hat when playing outside during the summer months.
- Staff will also wear appropriate sun hats when outside to set a good example and act as positive role models.
- Parents will be asked to provide a named sun hat for their child which will be left at Pre School in the child's tray.

Shade

- Wherever possible outside play activities will be sited to make the best use of any natural shade during the course of the day.
- In sunny weather we will erect our gazebo and put up tents in the outside area.

Sunscreen

- Parents/carers undertake to apply sunscreen to their children before the beginning of each session.
- If a parent has signed for consent and supplied sunscreen this will be reapplied by the child's keyperson / buddy when necessary.
- Any parents/carers wishing to come into preschool in order to apply sunscreen more regularly to their child will be welcome to do so.
